### Isen Top Expert, Cloyd Next Guest

With a record of seven correct predictions, and three misses, "guest expert" Al Isen came through the first week of the HERALD's football prediction guide out in front. Trailing Isen in a three-way tie for second were Roger Boedecker, Glenn Pfel and Cliff Svensk.

each with a 6-4 record. Low man on the forecasting totem pole was Reid Bundy who managed to correctly prognose four of the 10 games considered. This week the panel will host Edna Cloyd, HERALD society editor, as guest forecaster.

### SUN BLACKOUT

During a total eclipse of the sun, the sun is virtually blacked out because the moon, which comes between the earth and the sun, has no atmosphere capable of bending the sun's rays.

SOMETHING LIKE BUYING A NEW FISHING OUTFIT!

That's the feeling a man gets when he selects his new maple furnishings at VAN'S MAPLE SHOP in Torrance.

## SAXONS LOOKING FOR FIRST WIN

North Torrance takes the road tomorrow evening, to Excelsior High, for their first game of the season against Artesia High. The game, played on the Excelsior High field at 15711 S. Pioneer in Norwalk, will get under way at 8 p.m.

Mentored by Cliff Graybehl, the Saxons will be looking for the first win to be recorded in the gridiron history of North High School. Last season, the first that the recently formed school fielded a football team, the Saxons wound up with a record of eight losses and no wins.

**Artesia Has Win**  
Artesia will enter the local opener with a one-game edge in experience, an 18-6 win over La Habra last week end. In 1955 the host club scored a close 20-19 win over the Saxon varsity.

## North High Bees Host Artesia

Area football gets under way this afternoon when the North Torrance Bees take on the Artesia lightweights in a practice tilt at the North Torrance High Field. Kickoff for the game has been set for 2:45 p.m.

Saxon-Bees coach Del Nuzum will go with Dave Babbitt, left end; Chuck Bertoni, left tackle; Fred Lee, left guard; Bruce Merrifield, center; Ron Hayden, right guard; Mike Henderson, right tackle, and Jim Snell, right end, in the offensive line.

The starting Bees backs will probably line up as Bill Sale at right half, Dave Pace at quarterback, Bill Hall at fullback, and George Foutts at left half.

Saxon game captains for the Artesia opener will be Dave Babbitt and George Foutts.

The Saxons, rated a fourth in pre-season Bay League tabulations, will field a more experienced team than last season's inaugural outfit.

Graybehl will call on quarterback Ray Grieshaber to handle the bulk of the Saxon's offensive signal calling. A major portion of the chore of making that offense work will go to starting halfbacks Bob Romero and Paul Carrico, and fullback Jim Whittley.

On the line the Saxons will rely on the efforts of Chuck Richardson, Dave Campbell, and Don Stricker at end; Dan Hayes, Bob Morgan, and Steve Harper at tackle; Tom Koehn and Hal Becker at the guards spots, and team co-captain Al Bledsoe at center.

Walker Co-Captain Bob Walker, the Saxon varsity's other co-captain, will see action in the defensive line-back slot.

The only losses handicapping a North High effort is that of end Bill Gipson, due to ineligibility, and quarterback Loren Jones, with minor leg ailments.

Backfield coach Bill Elling has spent the major portion of the week trying to develop a conversion expert, with little success, and on improved use of pass patterns. Over-all practices have been stressing unit-timing and defense.

North High tentative starting line-up:

Richardson	LE
Hayes	LT
Koehn	LG
Bledsoe	C
Becker	RG
Morgan	RT
Stricker	RE
Grieshaber	QB
Romero	LH
Carrico	RH
Whittley	FB

**OCEAN FISHING**  
Ocean fishing activity in southern California reached a new peak of intensity during August, the Department of Fish and Game reports. Large schools of albacore and bluefin tuna were present. Yellowtail sport fishing in the Coronado Islands area and the LaJolla help beds was excellent.
